

ADDENDUM NO. 1 TO THE BIDDING DOCUMENT

Supply / Installation / Replacement / Maintenance of Electrical System / Solar PV System / Equipment from Shahdra to Gajju Matta at Designated Places in Lahore Metrobus System

Kindly refer to the subject Tender and find enclosed herewith the Addendum No. 1 to the bidding documents in pursuance of ITB clause 2.2.3 of bidding documents. All other terms and conditions shall remain the same except following:

- BDS Clause No. 15 of Section IV (Bid Data Sheet), corresponding to ITB No. 2.4.5, is hereby amended as follows:

“The total quoted value for the Services Component shall not exceed Thirty-Five percent (35%) of total estimated cost.”

- Section VIII, Form 8.10: In the Price Table for Supply of Goods/Material, Item No. 1 (Transformer, High Voltage Cables and Accessories) sub item (vi), the quantity (Qty.) is hereby reduced from 500 to 200.
- Section VIII, Form 8.10: In the Price Table for Supply of Goods/Material, Item No. 2 (Earthing System) sub item (viii) is hereby deleted and re-arrange the items Nos. accordingly.
- Section VIII, Form 8.10: In the Price Table for Supply of Goods/Material, Item No. 14 (Station Lights) sub item (i) is hereby deleted and re-arrange the items Nos. accordingly.
- Section VIII, Form 8.10: In the Price Table for Supply of Goods/Material, Item No. 15 (Station Fans) sub item (i) is hereby deleted and re-arrange the items Nos. accordingly.
- Section VIII, Form 8.10: In the Price Table for Supply of Goods/Material, Item No. 32 (Solar Energy System) sub item (i) is hereby deleted and re-arrange the items Nos. accordingly.
- In Section-III, heading 3.2: Scope of Services, point (vii), is hereby amended as follows:

“Locate and rectify all emergency faults occurring in the Electrical Power Distribution System, including but not limited to short circuits, open circuits and earth faults etc. The service provider shall repair the faulty equipment. If the repair of faulty equipment is not possible, then service provider shall submit an undertaking to the Client, detailing the reason for each item that cannot be repaired. Upon verification, the Client shall issue a Purchase / Work Order for the replacement of faulty equipment. Furthermore, any faulty part/equipment replaced by the Service Provider shall be taken away from the station only after prior approval from the Client. Additionally, any faulty part/equipment shall be transported and delivered to the designated Client's store by the Service Provider at its own cost.”

- In Section-VII: Schedule of Requirement, heading 5: Specific Conditions, point (vi) is hereby deleted.
